ANNEX No. 3
PROPOSAL PRESENTATION LETTER

Bogotá D.C.
To:
INDUSTRIA MILITAR
City

I, (Name(s) of the person(s) signing the offer), identified as shown beneath my signature, acting in the capacity of _____ (Capacity in which the signatory(ies) of the offer act(s); if the proponent(s) act(s) in their own name, they must sign it. It must be signed by the legal representative of the entity), in accordance with the provisions of _____, hereby submit, on behalf of _____ (Clear identification of the proponent on whose behalf the signatory acts), a serious, formal, and irrevocable offer in response to the referenced Invitation, issued by INDUSTRIA MILITAR, for _____.

In connection with the offer I am submitting, I state the following:

That the interested party I represent knows and accepts the content of the Invitation to submit an offer and of its Annexes and Forms.

That we know and accept that INDUMIL is not obligated to accept any offer during the course of the Invitation, including that of the interested party I represent.

That the offer I submit is irrevocable and unconditional, and binds the interested party I represent. That the interested party, in this case _____ (Clear identification of the proponent on whose behalf the signatory acts), is composed of the following persons, and that the name of its legal representative, address, telephone, and fax are as follows: _____ (Information on each of the members that make up the proponent, if there are several persons; if the proponent is a legal entity, the declaration may be adapted to supply the information required therein regarding the proponent company and its legal representative only)

That our offer complies with each and every one of the requirements and conditions established in the Invitation, in the procedures, which we declare we know, and in the Law.

That any omission, contradiction, or declaration in the offer must be interpreted in the manner that is compatible with the terms and conditions of the Invitation under which it is submitted, and we expressly and explicitly accept that our offer be so interpreted.

That we undertake to fulfill the obligations of the agreement arising from the invitation to submit an offer under the terms, conditions, and deadlines established therein.

That we assume the responsibility arising from the obligation to have carried out all the assessments and inquiries necessary to submit this offer on the basis of a careful examination of the characteristics of the business. In particular, we declare under our responsibility that the future goods and/or services to be delivered to INDUSTRIA MILITAR, once the execution of the resulting instruments is completed, in the event that our offer is accepted, comply with each and every one of the requirements of the Invitation, its Annexes, and its Forms.

We further state that we have carried out a complete and careful examination, and that we have fully investigated the conditions of the agreement that we undertake to perform, as well as the foreseeable risks arising therefrom as indicated in this Invitation, and we declare that detailed knowledge of the technology and equipment to which we will apply our work is under our responsibility and is our technical

specialty, and, in general, **that we are aware of all the factors determining the costs of performing the agreement to be executed, which are included in the terms of our offer.**

That, in any case, we accept and acknowledge that any omission we may have incurred in investigating the information that may influence the determination of our offer shall not exempt us from the obligation to assume the responsibilities that may correspond to us as part of this strategic partnership, and we waive any claim, reimbursement, or adjustment of any nature for any situation that arises and was not contemplated by us due to our lack of diligence in obtaining the information.

That we acknowledge that neither the invitation, nor the information contained in this document or provided together with it or communicated subsequently to any person, whether verbally or in writing, with respect to any of the aspects of the agreement to be entered into, has been considered as advice on investment, legal, tax, fiscal, or other matters, and we declare that for the preparation of our offer we have obtained independent advice on financial, legal, fiscal, tax, and technical matters, and that we have fully and adequately informed ourselves of the legal requirements applicable in the jurisdiction of this selection and contracting process and of the agreement to be executed.

That we fully, unconditionally, and unrestrictedly accept the terms of the agreement for which we have been invited to bid and the terms of the Invitation, and we undertake to execute it without substantial or formal modifications of any nature, except for those modifications that the parties decide to include because they consider them necessary for the proper performance of the agreement.

That any notice or request may be made by email to the email address indicated beneath the signature of the person signing this letter.

The undersigned, who appear in the capacity of interested parties in this selection process, declare and explicitly accept that we assume full responsibility for the results and obligations of the agreement to be entered into, under the terms of the Instructions for the Selection and Management of Strategic Partnerships governing this selection process, and we acknowledge that we are bound or committed in an unlimited, unconditional, non-subordinated, and joint and several manner with respect to each and every one of the obligations or responsibilities arising from the submission of the offer, the corresponding acceptance of the offer, and the execution of the respective contract, in accordance with the liability conditions provided for in Colombian Law for this purpose.

We declare under oath, which is deemed given by the mere signing of this proposal presentation letter, that we have declared only the truth in the information and offer provided, and that consequently there is no falsehood therein, being aware of the criminal consequences that may arise from any falsehood evidenced in the information provided with the offer, or in the declarations contained in this proposal presentation letter.

That neither I nor the company I represent are subject to the grounds for legal disqualification and incompatibility established in the Political Constitution, in Article 8 of Law 80 of 1993, Article 18 of Law 1150 of 2007, and other regulations on the matter, and that I am/we are likewise not in any of the situations of special prohibitions for contracting with the State.

I state that neither the partners of the legal entity I represent (publicly traded corporations excepted), nor I, have been judicially declared liable for acts of corruption, the commission of the offenses of embezzlement, unlawful exaction, bribery, prevarication in all its forms, transnational bribery, money laundering, illicit enrichment, among others, in accordance with Colombian criminal law and the international treaties on the matter, as well as their equivalents in other jurisdictions.

That I undertake to provide, at the request of INDUSTRIA MILITAR, any information necessary for the proper evaluation of this offer, within the terms that said entity determines for that purpose.

That this offer consists of ____ (Mandatory: number of pages of the offer) pages distributed in ____ (Mandatory: number of folders in which the offer is submitted) folders.

Sincerely,
