**ANNEX No. 7**
**AUTHORIZATION FORM FOR INQUIRY AND REPORTING TO INFORMATION OPERATORS — LAW 1266 of 2008 – LAW 1581 of 2012 – Decree 1377 of 2013**

SUBJECT: Authorization for the processing of data, Inquiry and Reporting to Information Operators.

I, _____, identified as shown beneath my signature, with Citizenship ID (Cédula de Ciudadanía) No. _____ of _____, of legal age, declare that the information I have provided is truthful; therefore, I grant my express, clear, and sufficient consent, without coercion and without intimidation, freely and spontaneously; I have been informed of the laws that protect my right to Habeas Data, and in the exercise of my right to freedom and informational self-determination, in a concrete, sufficient, voluntary, and informed manner, I **AUTHORIZE** this company and/or a third party designated by the company (which represents its rights or in the future holds, under any title, the status of creditor, the Information Provider, Database Administrator, Credit Bureau, Information Operator), hereinafter known as THE COMPANY, to process personal data information in accordance with the following:

**PURPOSES — HABEAS DATA**

A. To store, capture, handle, process, operate, verify, transmit, transfer, use, put into circulation, consult, disclose, report, and request all information referring to personal information, with private or semi-private data necessary for the study of risks, the analysis prior to the possible execution of an Agreement, and referring to my conduct regarding services, conduct and history in contracts, contractual compliance, relating to the creation, performance, and extinguishment of monetary obligations (regardless of the nature of the contract giving rise to them), contractual relationships, including the positive and negative information of my delivery habits and contractual compliance, judicial records, and social conduct, and the care and handling of goods in contracts, for purposes of prevention, investigation, control, supervision, management of commercial information, contractual compliance, regulatory compliance, prevention of associated risks, compliance statistics, and the relationships and obligations I have had with companies in the financial, real, and industrial, transport, and insurance sectors, and that I may acquire with such sectors in the future.
B. To consult and report at any time to a legally authorized information operator and credit risk bureau all relevant data to ascertain my performance as a debtor, payment capacity, or to assess the future risk of granting me a credit or an agreement.
C. To report to any legally authorized information operator or credit bureau, processed or unprocessed data, related to the timely fulfillment or non-fulfillment, if any, of my credit and contractual obligations, or of my legal duties of a financial nature, so that they present truthful, relevant, complete, up-to-date, and accurate information on my performance as a debtor, after having cross-referenced and processed various useful data to obtain meaningful information.
D. To retain, both at THE COMPANY and at any information operator or legally authorized credit risk bureau, with the appropriate updates and for the period necessary indicated in their regulations, the information indicated in literals b) and d) of this clause.
E. To consult and make the reports to the competent authorities, information systems, and information operators regarding the prevention, monitoring, and control of money

laundering and financing of terrorism, that it deems necessary to carry out in accordance with its regulations and manuals for the prevention and/or management of the risk of money laundering and financing of terrorism.

F. To provide to any legally authorized credit risk bureau and/or information operator data relating to my requests for service, credit, and the like, as well as others pertaining to my commercial, financial, and, in general, socioeconomic relationships that I have provided or that appear in records, databases, or public documents.
G. The other purposes contemplated in **THE COMPANY's** Personal Data Processing Policy.

I have been informed that, as the owner of the personal data, I am not obligated to authorize the processing of sensitive data[1]; that the only sensitive datum that will be processed corresponds to the fingerprint, a biometric datum, which will be used to verify my identity.

I declare that I have been informed of the purposes and the manner of processing of the personal data, especially those of a sensitive nature.

I am aware that I may exercise my constitutional rights to access, rectify, and cancel my personal data through the following communication channel: by sending a written communication to _____ in the city of _____, or through the electronic address _____.

I have been informed that **THE COMPANY's** "Information and Personal Data Processing Policy" is available at the following address: _____ for my consultation.

I declare that this authorization is given under the terms set forth in Law 1266 of 2008, Law 1581 of 2012, and the regulations that complement and amend them.

The information obtained for the Processing of my personal data has been provided by me voluntarily and is truthful. I declare that I am the owner of the reported information and that it has been delivered to THE COMPANY voluntarily, freely, completely, accurately, and truthfully. In witness of the delivery of the Authorization by the owner of the personal data for processing by THE COMPANY, this document is signed.

Sincerely:
